“ Dear Tiffy & Family,
I am so very sorry to hear of your loss. I remember clearly my Dad's stories of your Dad and mine, playing years of baseball together. They were great friends. I hope you find peace at this difficult time, knowing your father was loved and admired by so many.
All my best to you and your loved ones.

“ I remember going up to Hidden Valley with my cousin Curtis on a couple occasions to stay with Uncle Jack and Auntie Dorothy. What a sweet life they had up there on the golf course! The memory I've always held of both of them was how happy and kind they were. Literally every time I saw them they were smiling. Rest peacefully, kind sir.
