“ Steve, I had a chance meeting with your mother in December. It was so wonderful to see her. We talked about old times. She was just the nicest of people with a great heart. I have many fond memories with your Mom, Dad, Candi and you. My sincere condolences and sympathy.

“ Dear Steve, granddaughters and family,

We are so sorry to hear of your Mom's, Grandmother's passing. I had the privilege of spending an afternoon with Lillian a few months ago when I brought my mom, Jane Fitzgerald to Napa for a visit. Mom and Lillian talked about the good old days, family and friends for hours. Sister Karen and I loved hearing about all of you, Lillian's family, and all the fun times our moms had together in high school.

Mom and I planned to come to the service today but are being prevented doing so by the weather and road conditions. We are so sorry to miss it.

You all are in our thoughts and prayers today and always. I know Lillian will be missed terribly. Mom certainly is missing her. I'm glad she was able to attend her granddaughter's wedding. She was so excited about it.

“ We would like to express our sincere condolences to you and your family. With deep sympathy, we share your sorrow, after the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we've shared with our loved ones who have passed, this is what keeps them alive in our hearts and in our minds, and they will continue to live on, through us. May God give you the strength to endure the pain you are going through and may he embrace you and

comfort your family during this difficult time." Jesus said to her: 'I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life.'" -John 11:25
