“ *Hello, I am very sorry to hear of your loss. My family and I lived below Jane and Elmer's house on North 3rd Ave in Napa. I mowed their lawn and did yard jobs around the house - essentially my first real job. I am 48 now and my daughters are close to the age I was at that time.*

They were a kind and courteous couple and I enjoyed working for them. Plus, I got to drive Elmer's red truck!

My thoughts are with you,

“ Hello Family of Jane..... She lived in my neighborhood, so in the morning, I would see and greet her as she walked, early, with a flashlight. What a lovely neighbor, and what a wonderful gracious person to have been my friend. I always walked with my friend Kitty, and we would stop and chat with Jane whenever we walked. I remember one time she was bitten by a dog on her travels, which was very unfortunate. That dog was vicious, and none of us could understand why the pastor didn't lock up that dog, as we were all afraid of it. She recovered, but was too bad that she had to receive a bite. She certainly lived a long active life, and we were sorry to see her leave Napa. I know she made many friends in Napa, and was loved by all. Linda Feutz

“ So sorry to read of Ms. Whitehairs passing. She taught both of my girls when they were in the co op. they are 50 & 52 now with kids of their own. she had a wonderful way with the children in her classes and they all loved her as did the mothers. A delight to work with. You could tell she loved her work and all those children.

What a treasure that you had her in your life for so long, you were truly blessed...

God bless you all and RIP Ms. Whitehair.
