“ Dear Family of Andrea Wolf,
I have very fond memories of Andrea when we worked together at Northwood School. I remember one particular story that I will share with you...

One early morning before the start of the school day, Andrea came rushing in with a platter of cut-up fruit for the students. She said, "I'm in labor and heading to the hospital, but today is the culmination of the class nutrition unit, so I wanted to drop off the fruit, and yes, there is a sub coming in!" What dedication, and what a woman! My thoughts are with you.

Sincerely,

Judy Thomas

“ I'm so sorry to have heard this sad news. Mrs. Wolf was my teacher back in the day at Northwood Elementary. She was my favorite teacher. I have such fond memories of her, she made the class so fun and interesting. I learned a lot from her. I will never forget her. Heaven is blessed with such a beautiful angel. May you find comfort within each other during this most difficult time. Lisa Boes

“ Oh, Tobe, Tanya, Tyson and Lynn my heart was/is filled with sadness when I heard of Andrea's accident. My thoughts went straight to the dental chair and the many times we shared the joys of our families and experiences. How proud she was to be your wife Tobe, she truly loved you.
Tanya and Tyson there are few words that I can say that would express my sincere sadness for you kids. I am so glad that I was privileged to have known your wonderful mom!
Lynn, I know you are suffering. You and Andrea were such sweet sisters to each other always helping and giving advice to one another. Having Andrea as your big sister was a blessing. I am sad for you, Lynn!
I will always remember Andrea as a happy, positive, committed woman with high integrity.

I care about all of you and will never forget Andrea!

“ Andrea and I taught 6th grade at Northwood School in the early 80's. She was great to work with, and a good teacher. She kept her class in line and would put up with no nonsense. I was sorry to see her leave our school as she worked hard and had a good attitude towards kids and teaching.
I am so sorry to hear of her passing. Seeing as how I will not get a chance to speak of her at any service these words will have to do.
Sincerely,
John Callison

I have been thinking of all the fun times I had with Andrea in La Paz, on the water and on the dance floor. She once came to our house to teach cajun dancing. My son was with his then girlfriend, now wife. Every time he held her in his arms, he lost his train of thought...much to the amusement of the rest of us!

Andrea was a special person and I truly am sad she's gone.

Thinking of your family and sending caring thoughts your way.
