“ Our deepest condolences to all the Reilly family. We were once neighbors on Bothin Rd in Fairfax from 1959-1964. We have some great memories of our times together with your family, the Keating family and others and watching our children grow up together. We moved away to Novato where we have been for 50 yrs. We are sorry we weren't able to attend the service today in San Rafael. We would have loved to see all of you. We didn't know that your dad had died earlier. We wish to have them both remembered in Mass and would like to have an address to send a card. You will all be remembered in our prayers at this time.

Lots of love to all.
