I am so sorry I missed Bill's Funeral. Realizing it was 2 years ago it is really bothersome to me. I worked with Bill at Frys/Savemart and levee next door to him in a Duplex on Seminary here in Napa. We had many laughs together at work and home. He was spirited and proud of his Indian heritage. I trust his spirit lives on, on the other side. God Bless Bill ! RIP

*Love and Peace,
Ryan DeMello, your friend.*

You are and will be missed!

To the family of Bill. My mom Barbara knew Bill, Billy to her. He used to stop by her place in Napa to visit often. They knew each other since they were about 13. My mom would pick him up on the way to school. She had a stroke in 2011 and moved to Texas to be near family. She wondered what happened to him, so I looked him up for her. She's very sad to hear that he's passed. She gives her condolences to all the family.
