“ *Aunt Billie Jo was my mom's youngest sister. Didn't get to see her very often but thought of her often. She resembled mom so much. Love and prayers to all who remember and loved her. Donna Mead (Norma Husband's youngest daughter)*

“ *Billie was a sweet heart. We hadn't seen each other in several years since we moved out of town. I will always have fond memories of her and Ed and Dave. Such a sweet family. I remember sitting on their little couch and listening to Ed tell me stories of my dad and his son David when they were younger. Billie would always correct him and tell the story just a little differently. They were so cute. You will be missed Billie!*
