“ *As a CHP officer, I knew Bob and worked with him for many years. I always enjoyed his brusk, but genuine attitude and sense of humor. Often, when arriving on scene, he would take a moment to tell me his latest joke. He was a tough man, working on into years when it was physically difficult, but persisting with honest and good motives. I will miss him, and my thoughts and prayers are with Mary and his children.*

God bless you all,

“ *So sorry for your loss. I have known Bob about thirty years. He was a good, sometimes grumpy guy. Underneath it all he had a great sense of fun.*

My prayers to you all at this sad time.

“ I knew Bob for almost 40 years, through off work hours mainly at bingo, I also knew Bob during work hours, I had a truck repair for many years, and was in contact with Bob many times. I was an insurance appraiser and was in contact with Bob during those years. although Bob and I were never really social, I believe we were friends, he was a rugged soul, but easy to like if you knew him. I will miss our banter when we saw each other. I am truly sorry to for his loss, for Mary and his Family. Rich Myers
