

Diana Haines

July 21, 2016

After a lengthy battle with serious health issues, Diana Haines passed away on July 21st.

Diana was a kind hearted person who loved animals, and everyone who knew Diana, knew she would always be there to help in any way she could. Diana loved living in Napa. This is where her family is and this is where her friends are. Her circle of friends meant the world to her, and she loved spending the holidays with her family.

Diana was preceded in death by her loving father, Wyatt Haines. She also survived by her mother, Dolores Haines; Brothers, James Haines, Robert Haines, and David Haines. Nieces; Jessica Haines, Julie VanValzah, Jamie Haines; and nephew, Aiden Haines. Outside her family, the most important person in her life was her life partner and best friend, David "Josh" Eigenman of Middletown. The years she spent with Josh was the happiest period of Diana's life.

Our family would like to give a special thank you to the great nurses and staff at Queen of the Valley Medical Center and Devita Dialysis Center for the outstanding care and support they provided during the final months of Diana's life.

At Diana's request, her family will be having a private celebration of her life in the near future.

In lieu of flowers, the family has requested that a donation be made to: Collabria Hospice of Napa Valley.
