“ *First I wanna say how deeply sorry I am for y'all's loss. You all are in my thoughts and prayers. I pray the Lord comforts you and eases your sorrows. I do have a memory of my Tia Dolores that I would like to tell about. Im gonna guess I was probably around 9 years of age maybe younger, we went to visit my Tia Dolores, Tio frank, and my cousins in Napa. (By "we" I mean myself (Lucia), my brothers and sister and my parents Larry and Ysabella Rascon) I'm 35 now but I still remember my Tia Dolores welcoming us in her home and making us breakfast. Can't remember exactly everything she made but I do remember the french toast. To this day every time i have french toast I think of my Tia Dolores and how welcoming and inviting her voice and smile was and of course her french toast.*
