“ *To the family of Don Buffington,*

I hope you find peace in your time of sorrow. I too did not know Don personally, but I was his neighbor for down the street. My dogs loved to walk by his house in hope of getting a glimpse of his beautiful white dog. We always exchanged hello on my early morning walks. I will miss his quiet grace.

“ *Our thoughts and prayers are with the Buffington Family during this very difficult time. May the memories you cherish offer comfort and peace when you need it most.*

For years, Don was a great support to Novato High School Wrestling. His dedication to support the team was evident, as he was always visible in the stands at matches.

“ I knew Don from So.City. He went to SSFHS with my sisters. I later met Don when we were union Business Agents. I was with the Iron Workers and Don with the Laborers. We attended a lot of meetings together. We worked together of contracts for the Golden Gate Bridge and Pomery Precast. We made several trips to Washington D.C. for conferences. Don was always a stand up guy. He told you how things were and didn't patty cake around things. You always knew where you stood with Don. I wish I could be there but I am in Utah. Don always spoke with great pride about his children and grandchildren. He loved you all very much.

“ Our deepest sympathies to you during this most difficult time. My wife, daughter and I used to walk past Don's house on a regular basis. We would look forward to seeing his dog in the back of his car and sometimes get a friendly hello or nod from Don himself. We hope to keep that memory of him and wanted to let you know that although we didn't know him personally, he did make an impression on others.

“ *Randy and Mel,*

I pray that you and your family find strength and peace during these trying times. I don't venture to believe that I have been through what you are going through now but will say that time will heal all wounds. Be strong and know that you have someone watching over you and your family.
