“ While I did not have the pleasure of knowing Dorothy, I noticed in her obituary that she was born in Felsenthal. My maiden name is Felsenthal and in 1978 I reached out to a John Reuler who sent me much information about the establishment of the town. I would have so enjoyed showing Dorothy this information and learning how she and her family settled in Felsenthal some 15 years after its founding in 1904.

I hope you are doing as well as can be expected during this sad time.

With sincere sympathy,

Sue Felsenthal Parry, Saint Helena

“ To our friend Bob. Words cannot express our sorrow in your loss. Dot was such a wonderful woman. Always the lady. We've lived across the street for almost 42 years. Great neighbors. I bowled with Dot for a couple of years and had the most fun. She and her smile will be missed. Our sympathy to you and your family. R.I.P. Dot. 🌹

My parents still live across the street for Bob and DOT. I just want to send out my condolences to Bob and the family, Dot was a great lady.*
