“ *So sorry to hear about Dwayne's death. He and my father sang in barbershoppers for years and if I remember correctly they also sang in a quartet- and had practices at our house. Both my father Ernie Nelson and Dwayne loved singing in the SPEBS....for years. just think how they all must be singing great harmony up in heaven.*

“ *I remember Dwayne from the old barbershopper days - my father was one of the founders of the Napa Chapter of "SPEBS". If I remember right - many years ago DeWayne and my father Ernie Nelson sang in a quartet together and would often have a practice at our home. Fond memories of those days - and Dwayne - they all so enjoyed singing the old songs and performing. Sorry for your loss - but think of all the singing going on in heaven with all the old members!!*
