“ *I have known Frances since we were in 2nd grade at Lincoln Elementary School. We attended Ridgeview Junior High, Napa High School, and Napa Valley Junior College together. I was proud to say that she was my oldest friend.*

I was shocked to find out about her passing from my sister, Mary. Many of her old friends will be there at the service. Patti Bashor posted a photo of the three of us when we were in 5th or 6th grade and it made me cry.

Her family owned the China Cafe and I saw how she loved working there and how she treated her customers. She was always cheerful and positive.

She was a great friend, had a pretty smile, a great laugh, and wonderful spirit. She always remembered my birthday and Christmas, despite my many moves. It was during my last move that I thought of her on her birthday, but did not call. I wished I had. She would always talk about her family, her nieces and nephews, movies, travels, and working at Target.

To the Shui Family, my sincere condolences. You are all in my prayers and support. We are all better for knowing Frances.

*Love,
Lily Wong*
