“ *To the Family of Gabriela,  
I am the mom of a little girl who attends Sun and Stars Montessori in St. Helena, and heard of Gabriela's passing at a child's birthday party. I am so sorry to hear this news and my heart goes out to you. Myself and some others mothers would like to help in any way we can, particularly upon hearing the news of little Camila having now lost both her parents. We understand that she is with her loving uncle, Sergio. If there is a need for clothes or books, or child-care, or grief counseling or anything at all (!) please call me. I am sure the community has already rallied around your family- but just know, there are more folks that would like to help.
