

Gisela Saulite

April 12, 1926 - July 5, 2020

Longtime Napa resident Gisela Saulite, passed away peacefully at age 94, on July 5, 2020 of natural causes.

Born April 12, 1926 in Flensburg, Germany, she immigrated to the United States with her husband Julius and son Helmut in 1951. Her daughter Edith was born in Montana, and the family moved to the Napa Valley in 1955.

Over the years Gisela made many friends and shared with them her love of cooking and gardening. You could find her picking fruit and vegetables that she loved to share with those around her. Her knitting skills kept her busy, with many folks over the years being given a hand knit scarf as a way for her to say thank you for being so kind.

One of her proudest achievements was becoming a United States citizen.

Gisela is survived by her son Helmut and his family, Patricia; Suzanne & Martijn and their children Sarah and Hannah, her daughter Edith and her family, Chris; Barret and Taven.

We would like to thank Cris and the staff at St. Francis Assisted Living for taking such loving care of Gisela.
