“ *Betty, Bill, Darla & Mary,*  
*I'm sorry to hear of Harry's passing. I have very fond memories of time spent with him on Barry St. He gave me the fishing bug that I still have today. Your family is a large wonderful part of my childhood and am sorry that we haven't kept in touch all these years. If I can ever be of assistance please let me know.*

*We were so sorry to hear about Harry. We've had so many wonderful memories over the years, especially on Barry St. Hope we can get together sometime, to talk about old times. Harry was one of those special people that could light up a room with his personality, a great Guy! Our thoughts and prayers are with all of you. Love, Ron, Marilyn, Jim and Scott.*
