“ *Dear Dorothy - I want to offer you my deepest sympathy and prayers on the sad death of Jack RIP. I recall his gracious hospitality during my many visits to your home and during the last party there following the Golden Jubilee of St. Apollinaris School. I know you will miss Jack very much. He was, as you often said, a God-sent gift in your life. Your own deep faith will carry you through this time of painful separation. Be assured of my prayerful support at this time. United in love and prayer*
