“ *My sincerest condolences go out to your family! I used to work at Nazareth and "Jim Boy" was one of my favorite residents! He was and will always be remembered as such a sweet man. It is funny that he was known as the candy man because he would always give my daughter candy when I would bring her into visit. I remember the first day I met him he could hardly keep his head up or talk and not long after he was doing amazing and walking around on his own. I loved meeting his daughter, brother, absolutely amazing sister in law, and his friends that would come visit. I will miss him greatly and will never forget the good times with him!!*
