“ Jan was probably the kindest human I've ever known. Her hugs and her smile are treasures I'll never forget! God bless you all and I'm sending a big hug (turning my head to the side and patting like Jan!!!!)

“ Lisa, Leslie and family,
I'm so sorry for the loss of your beloved mother. I was not fortunate enough to meet her but seeing the love that her children have for her is a testament to her love for life and family. You will always have her love and memories in your heart and it will carry on in the generations to come 💖 Our deepest sympathy,
Jeannie and Kevin
