“ *Dear Friend Joe and Family, Again my sincere condolences to you and your family at this your time of loss. How lucky and blessed you were to have a father, John a "wonderful husband and father". You, Joe, look just like him. You know my wife was from Oklahoma and proud of it. I am sure that Ernie Rota arranged the flag and Veterans benefits but remember that a memorial can always be done at the National Cemetery in Dixon with or without burial. I will be having a Mass offered for your Dad at Queen of the Valley 4th floor chapel on the last Wednesday of July. Sincerely, Joe Hennessey*
