John Lee Stenso

August 30, 1945- May 18, 2015

At rest at the age of 69, our cousin Lee was the beloved son of John Stenso and Catherine Lee Stenso. Never married, he is survived by cousins and friends who loved and cared for him in countries all over the world: Israel, Ireland, Japan, South Africa, and throughout the United States. Originally from Crockett, CA, Lee graduated from St. Vincent's High School in Vallejo, CA, and attended Santa Clara University. Lee was an avid outdoor-sportsman and wildlife conservationist with lifetime memberships in the Ducks Unlimited and the California Waterfowl Association.

The funeral mass will be celebrated in a small family gathering.

“ *Lee was my godfather--taught me how to fish, hunt (poorly), took me to Giants games, and we watched lots of Niner football on Sundays, along with Dutchy when she was still with us. His affect on me and who I've become in this life is unmeasurable. See you around Lee.*
