“ *Dear Toni, Donny & family, Was saddened hearing about your Mother. The loss of your Mom is heart wrenching and I know very sad no matter what the age. Josie was a beautiful person! Memories of our younger days together comes to mind, because she always looked so pretty and was fun to be around. In later years when I'd see her at the Fratellanza club she still looked great and it was it was fun to talk to her. Cherish the good memories. I know God has taken her in with open arms. My deepest sympathy, Joan Castillo Sabatini*

“ *Dear Dolly and Don Grupalo and family, You are in my thoughts and prayers. I know you have wonderful memories of "Josie" and will miss her and the good times. Hopefully you can think of her as an Angel looking out for you while she reunites with family and friends. Bless your hearts. Will keep you in my prayers. Sincerely, Leah Rae*

Josie was one of the best! She had a knack of making you feel like the most important person when in her presence. Some of my most cherished childhood memories are of times spent at the Russian River house. She was so loving and gracious. The end of a tremendous era with her passing. Never to be forgotten.
