“ *My favorite Aunt... "Auntie Kay"...&... "Uncle Ting"... favorite Uncle... many good childhood memories visiting relatives in Napa, CA as I lived in Washington state - to include when the "Farley sisters" spouses visited family in Washington. A few years ago I moved to CA and had visited Auntie Kay while visiting my grandma Ferol (Auntie K's older sister). Upon returning to CA from living once again out-of-state, I traveled to Napa with my cousin Marlene for visits with Auntie Kay ...told her how happy I am to have her in my life as a Fun and Caring Aunt she taught me how to knit, play cards, and most important ... made me feel good about myself. Auntie Kay always had kind words and encouraged me many times over. Wish to send my sincere thoughts of memories and love to Kayle and Rory plus Auntie Kay's entire family... Auntie Kay was a treasured human being. You gave all of us much Love and grand memories. With Love and Kind Regards, Valmarie*

“ *My dear friend for many many years. She was outgoing and a happy person all the time always with a smile. My daughter is 48 years old and she came to my baby shower when I was pregnant with Monica . As I moved in my older years to las vegas, I made time to send cards to say hi and I miss you and visited every time in town. She will be missed a lot. My prayers go out to the Franco family.*
