“ *What a lovely lady and beautiful light. We will miss her bright presence at the baseball field and cherish the memories of the stories she shared about her family and life. The first time we met we identified a mutual acquaintance who we'd both met in Kuala Lumpur a decade apart, such a small world. We almost shared a birthday, just one day apart, and celebrated together last year in Manteca at a baseball tournament there. As much as I and our baseball community will miss her, our recent bond cannot compare to that of her family and long-term friends, and my heart goes out to you in sympathy for your loss. May you find comfort in her memory and the knowledge that she is in a better place. Bon Voyage, Katie! Beth, Bong, and Zach*

“ *Katie was and always will be 1 of the nicest and most positive people I've ever known. Having my son play baseball w Bobby I got to enjoy a couple years of weekends at the ball field sitting, chatting and witnessing as she lift everyone's spirit in attendance. Her smile, oh that beautiful smile. Dancing w a VET at Borman on occasion between innings was a sure way to wake up and keep the crowd smiling. Her passion for Bobby and his teammates was more than just how they played, it was more about how the boys were doing in general. All of us who cherished this amazing woman lost a wonderful soul. Yet Heaven gained a Smiling Angel. With love to Bobby and family
