“ *My thoughts and prayers are with you all I wish I could be there with you all but know that I am with you in spirit. We always had such a good time when he would come to Michigan and especially the trips up to Pinconning to get cheese to take back home with him. He always loved to go up there. I remember the last time he was here for Ernie passed away and we went on a trip up Lake Huron side and back down Lake Michigan side and saw the Mackinaw Bridge he enjoy seeing Alpena where they went all the time growing up. Love you all.*
