“ I remember Louie & my sister Coni taking Cynthia & myself up Partricks Road
and telling us that the "reeboks" are hiding in the trees and they were going to
make us get out and we were scared and almost crying and our big sisters were
laughing thier heads off at us! Silly girls were always up to something! Louise will
be missed by many! My heartfelt condolences to her family and friends.

“ Dear Mrs. Villegas, Gloria and family members,
As Louise's neighbor, I was very saddened to hear of her passing. She and I had
many good conversations about many things over many years, and I will continue
to keep her in my prayers and memory.
I will always remember when we rescued some kittens who went through an open
vent at the house and finally had to trap them so I could get them good homes.
She was such an animal lover, and was so kind to so many that she rescued.
Louise was a very good person who would do anything for anyone. She was
always helpful no matter the circumstances. She gave of herself.
I am very fortunate to have lived next to her, and I send my thoughts and prayer
to her family. God bless her and all of you at this time.
