“ *Oh Sra Klyzinsky! I loved taking her classes. She made learning history and Spanish fun....I'm now fluent in Spanish because she made learning so easy! Loved how she played music in her classroom and you could walk by anytime and see her dancing. And that huge black sombrero hat she wore to greet us! But the most inspirational..was her style! I admired how she always dressed so amazingly down to her stilettos. She was surely loved and influenced many lives. Rest well Sra Klysincky..dance the night away listening to your Julio!*
