“ *Marion loved baseball. I met him when I was playing fly league in the mid 50's and he was the plate ump. My grandfather befriended Marion by taking him to a Giants game and generally hauling him around to ball fields in the summers around 1960 or so. It turns out that I was a classmate of his brother Robert at Ridgeview and Napa.*

“ *Thank you for giving of your time to us kids growing up in Napa and playing Baseball. You were always fair in your calls of balls and strikes. May you Rest In Peace, Ump. And thanks again for all you gave. Oh, and - Go Giants! Sorry.*
