“ *So sad to hear of my wonderful aunts death. I've loved her right from a child as her parents, my grandparents brought me up. I have fond memories of our visits to the USA with my grand parents. She was the most kind hearted loving lady who I loved dearly. I am proud of her work helping so many people even when her own health was failing. She truly is an angel now. And will live on in my heart always.*

“ *We Loved Molly! My Grandmother who also was from England and our whole family use to love to eat and visit with Molly- we followed her faithfully to all her establishments. She served four of our generations her wonderful fish & chips! Sadly my mother, Joan Moen, who also enjoyed fun gambler's bus trips with Molly passed just the day after Molly, I know all the wonderful memories of Molly will live on and comfort you now and always.*

“ We are so sorry to hear of Molly's passing. She was a very remarkable woman. We saw her in action. She helped some of our family members. We wish that everyone had a little peice of Molly's compassion for others, our world would be a better place. One thing we will always remember about Molly, she had a SMILE for every one she met. God Bless you Molly, now you are REALLY with the "Angels ". Judy and Jerry Nunn
