

## Michael Paul Stornetta

December 22, 1950 - July 4, 2014

“Michael Paul Stornetta, A VERY Fun, Loving, Big Game Hunter, Racecar fan, and Napa County raised for 60 plus years, has passed as of the 4th day of July, 2014”

Michael Paul Stornetta was born in Petaluma Ca. on the 22nd day of December, 1950 to Paul and Norma Stornetta (Buckner). Michael was an area traveler and lived in Petaluma and Napa as a child and through out his life moved to areas such as Vallejo, American Canyon and back to Napa. He loved the Napa Valley and represented everything about the Napa Valley, Food, Wine, and County. He was also just a very simple, kind man.

He worked in the trucking industry to include “Paul’s Trucking” here in Napa, which was established in 1985 by his father Paul and Sonja Stornetta, where he was employed for over twenty-five years. Through out his life he was not only a truck driver and diesel mechanic but he was part of racecar pit crew teams for not only his father Paul Stornetta but, also for his nephew Joe Stornetta of Napa, which he loved being part of because it was an absolute passion Michael had for being on the track along side of family and having the engines as loud as they could rev em..

Michael was also an inner guardsman at the Napa Elks Lodge #832 for the last couple of years along with being a member for ten plus years where he

was surrounded with many, many friends and family on a regular basis. When Michael was able to separate himself from the day to day grind of life he always took an annual trip up to Washington State where he would spend close to thirty days hunting Elk alongside not only family members but best friends with the biggest, most childlike grin from the moment he pack his truck to get on the road...

Michael Paul Stornetta is survived by ALL of us to include his Mother Norma Armstrong, his son's David Stornetta, Greg Stornetta and his daughter Nikki Santiago (Stornetta). Michael also has five beautiful grandchildren, two grandsons and three granddaughters along with many siblings. One thing that each of us will remember VERY clearly is how simple of a man Michael was.... The simpler the better

The memorial service will be held at the Napa Elks Lodge #832- 2840 Soscol Ave, Napa, CA. 94558 at 5:30pm on the 24th day of July. This service will be concluded with a pot luck dinner. Come one come all!

“ *Although it's been several years since we've been in touch with Mike, I will never forget what a kind and gentle spirit he had. I have so many memories of sitting around the table playing games. Whenever either one of my babies got cranky, Mike would always reach for them and they would immediately go to sleep in his arms... Remaining that way, content, while we played. Mike never once complained about playing with one hand, because he was as content as they were!*

*Nikki, David, Greg and Cindy- you have our sincerest sympathies- as well as the whole Stornetta family and friends.*

*You're in our thoughts and prayers.*

*With much love and blessings,*

“ Mike you will be missed so much. I have always been grateful for all the help you gave me with the Elk events. You and your Dad, Paul, always did a wonderful job as chairman for the Elk's Crab Feed. I will do the best I can with the Crab Feed this year, but it will never be the same.

You will also be missed at the Elks meetings, dinners, events, holidays, Red Hen fun, Moose and Saturday Nights with Dave and Dick at the races.

We send our condolences to your whole family, Mom, Step Mom, brothers, sister, children, grandchildren, extended family and friends.

All our love, Dave, Sandy and Miss April.

“ *We send our condolences to Mike's family. We are so sad to have lost such a kind hearted wonderful person, who was Mike Stornetta!! Mike, following in his Dad's footsteps, took over the Napa Elks Crab Feed and he did such a great job!!! The Napa Elks Crab feed may never be the same without Mike, he always ensured a great time, awesome food, with his secret pasta sauce and crab.....hope fully we can continue to have the crab feeds in his honor.....We also remember being at the Elks lodge when Mike and his cousins were gearing up for their "big" elk hunting trip, what characters!!! They were having so much fun telling us their stories of other trips they had been on, we were all rolling with laughter. Again we are so sorry for the loss.....RIP Mike, you will be greatly missed*
