“ *Dear Charles, Gary, Paul, Scott and families,
Boots and Charles were dear friends at Redwood Junior High/Middle School where we had many faculty parties and gatherings.
We loved the sailboat trips and the special good humor of Boots and Charles.
They were both very special people.
My condolences to you all as she is now at rest.

Dear Jones Family, I'm writing this for my 93 yr. old Aunt. Her name is Betty Mc Dowell She first met her friend Boots in second grade in Vallejo, Ca. My aunt lived on Taylor St and Boots lived on Lewis St. She has kept in touch with her through the years. It had been awhile since she had talked to her. Last time she saw Boots was at their 65th class reunion that was held at Jonesey's. . They had a nice visit & got caught up with each others lives. She asked my aunt if she still lived in her same home & my aunt replied that she did. Boots told her she would come and see her some time. My aunt never has driven & my uncle had passed away about 15 yrs, ago. When I called my aunt to give her the news about her friend Boots she really felt bad. She mentioned she had really been thinking about Boots the last few days for some reason. I'm guessing because they hadn't talked for awhile. I've heard my Aunt talk about Boots ever since I can remember. She really enjoyed her friendship. She will really miss her. Boots was her dearest and longest friend. She sends her condolences to all of you. I am also sorry for your loss. Mary M
