“ *Dear Family,
I was saddened to hear Norm passed away. He was such a lovely man, always had a smile and story for everyone. The loving way he spoke about his "Junie" always made my heart happy. It gives me peace to think of them together again, at last.

I worked with Norm at Napa Valley Physical Therapy Center. I always enjoyed spending time with Norm. He made it fun for us to shout "Norm" as he walked into the pool area! Patients loved to chat with Norm and he could be seen and heard having great conversations in the pool and spa area. He was always appreciative of the treatment he received and frequently encouraged other patients and staff members with whatever task they were doing. It was impossible to be in a bad mood around Norm. He made me laugh and brought joy to my heart on a weekly basis. Although I haven't seen him in a number of years, I remember him fondly. My heart goes out to his family in this time of sorrow. May God bless you, keep you safe, and guide you in the days and months ahead as you mourn his passing while rejoicing and celebrating his life.

“ *I met Norm and his little companion Raz (I have one of here sisters) at the coffee shop years ago. Always enjoyed talking with him and watching his little dog do tricks. I am very glad to have known Norm, and I will always remember him fondly.*
