

Owen Arie Euser

November 28, 1993 - April 4, 2017

Owen Arie Euser, 23, died April 4, 2017 in Chico, CA, surrounded by immediate family, extended family, and friends he called family. He was born November 28, 1993 in Vancouver, WA, the son of Andrew and Michela (Bettencourt) Euser. He attended St. Isidore Catholic School in Danville, CA and later graduated from De La Salle High School in 2012, where he played four years of La Crosse. He proudly graduated from Chico State in 2016 with a B.S. in Business Administration and a concentration in Marketing. Most recently Owen worked as a Sales Representative for TTI | Milwaukee Tools.

Owen was an incredibly loving and supportive son, brother, and friend. He had a sharp wit and an even sharper interest in the well being of those around him. His passion for life, fitness, travel, and music were contagious and will continue to inspire all those who were lucky enough to have known him.

Owen is survived by his parents, Andrew and Michela Euser, and his sisters, Anneka and Cecilie Euser. He also leaves his maternal grandmother, Mary Bettencourt, and his paternal step-grandfather, Bob Roche, both of Napa, CA; aunts, uncles, and cousins on both sides of his family; and a community of friends who will continue to carry Owen's light with them through the rest of their respective journeys.

“ Dear Michela and Andy, Cecilie and Annika, Aunts, Uncles, all the cousins, and the Bettencourt family:

I was so sad to read about Owens passing in the Register. As I know first hand, words cannot begin to convey right now or offer much support during this time of tragedy, shock and grief. Being held in the arms of family is a salve. I know that Owen had a wonderful spirited soul, loving parents, sisters, family and friends. My heart goes out to all of you and may his memory be a blessing. all my love

“ We are so sorry to hear of the passing of Owen. He was taken from us much too soon. We have known Owen since grade school. We will always remember his great big smile, his enthusiasm for life and his kind soul. We remember him not only as a tremendous athlete on the sporting fields (He made a block on a breakaway layup in the 8th grade CYO valley championship game that was truly amazing) but as a caring teammate who always thought of his fellow players. We remember one specific instance in youth soccer where there was a player on his team who was disabled and was having a very hard time keeping up with the other players. Owen made sure that he was part of the team and that he was able to participate in the game. This really shows that he had a big heart and thought of others first. Our thoughts and prayers are with Owen's parents, his sisters and his family at this very sad time.

“ Dear Andrew and Michela - what a shock to come on Owen Arie's death notice as I was tracing Clemintina's Obituary. May he enjoy the light, love, peace and joy of Heaven. It is so sad to lose someone so young -. He looks so happy and full of life in the photo published. Know that you are in my thoughts and prayers in your great loss. It was lovely that he bore the name of his Grandad Arie - a wonderful neighbour and friend to all of us Mercy Sisters together with Apollonia.
May God be with each of you - parents and sisters at this sad time.
