May each new day bring warm memories of Bob to uplift your hearts. Bob's gentle ways and soft smile spoke volumes of the way he lived his life. His love for family and friends will continue in each one to bring you strength.

“ *Bob Townsend.....As a fellow member of the Pius XI boxing team in 1950, Bob was perhaps one of the finest all-around boxers that I've ever seen. He also was a fine gentlemen, and a person I considered to be a friend. Whenever a group of former Pionian ex-jocks get together we often talk about some of the great boxers in the Pius XI high school program....and we always say that Bob Townsend was the greatest. He will be remembered by this fan. Gene Haas, Pius XI HS class of 1952*
