“ *Dear Nancy and Family: Hi, Nancy -- I don't know if you remember me or not (we went to Vintage High together -- but, I was in the Class of 1977; we had some classes together and were in some clubs together). Anyway, I live in Southern California now, but read the Napa Valley Register on-line every day...and, recently read about your Mom. I just wanted to express my condolences to you and your family. If there's anything I can do, for you, from this far-away distance, please just let me know!! My thoughts are with you all at this time!! Sincerely, Shari (Allen) Santos*

“ *We are sincerely sorry to hear of Rose's passing. She and Milt were very kind neighbors, especially by keeping an eye on our elderly parents. We hope that love and appreciation will help Milt and his family as they heal and adjust to their loss.*

“ Thank you, Rose for all you gave to so very many. The epitome of an incredible loving & caring nurse...considerate of everyone..never forgetting a name with a face. Your spirit will always remain at Queen of the Valley where you walked the halls and spread your gracious spirit wherever you went. May you rest in peace, Rose.

“ Dear Totman Family:
Our thoughts and prayers are with you during this difficult time. Rose was one of my mentors when I returned to nursing after raising my family. She was always there for me with advice and encouragement. One thing we never solved was our "relationship"--I was raised by an uncle who was from Modesto and his name was Frank Totman!
She will be sorely missed!

“*My thoughts and prayers are with the family at this time. How fortunate we all were to have been able to be a part of Rose's life, and her care for the children in Pediatrics at Queen of the Valley. I looked forward to my visits with Rose when I was working, as she brightened my day: her wonderful smile and cheerful attitude. We will all miss her.*
