“ I am sorry for the families loss. Holidays always bring up more memories for me. I descend from the Bianchi clan as well. I am the great granddaughter of Amelia Bianchi and had her old scrapbook with many family photos. I live in Orange, CA and my email is socaljules@gmail.com and would LOVE to hear from relatives and would happily share photos from the scrapbook. I've managed to trace the family back into Switzerland where they are from as well.

Again, I am sorry for your loss and I hope the memories with him are keeping you all in happy place.

“ I believe that Steve was my Dad's first cousin. My Dad was Bob Bianchi son of Margie and Sib Bianchi. I moved back to Napa 11 years ago. My name is Christine Bianchi Ackley and live downtown Napa with my husband. I would welcome meeting more of my family. My email is pumpkinpie3945@aol.com if there is any interest in chatting. I think I met Steve when I was a young girl. I am sorry for your loss. Chris

“ Steve was always willing to share in the joy of activities, even if they were silly, especially those that didn't require hearing. He'd sit next to me at Bingo to see the cards and he'd actually WIN bingo on occasion! He was happy but competitive and made noise when there was too much talking and not enough bingo! His grunts would always make us laugh and his laughs were contagious. He had no patience for ineptness and would often wave his arms and smile. We loved having Steve at Piners. I could always count on him for a smile and a big, warm handshake. Melanie from Activities (2016-2021)
