“ Was very saddened to read of Wendy's passing. I have very fond memories of her and knew her in her younger days when she worked for my family at the Napa Flea Market. She was a great gal and always fun to be around. My thoughts and prayers are with her and her family.

“ Rick and the Daniels' and McDaniel's Families -

What an amazingly courageous individual we all lost in Wendy. What an honor and privilege it was to have met Wendy and to have gotten to know her better thru the Vintage High football program and as a patient in our physical therapy office.

She was such splendid company.

Somebody once said:

"Somewhere over the horizon and beyond the farthest shore, the spirits of our departed friends in peace eternally soar."

Thoughts and prayers are with you all.

God's blessings and grace be with your families at this most difficult time.

“ We are so sorry to hear of Wendy's passing. I met Wendy in high school and she quickly became one of the most loyal, kind and dear friends a person could ever ask for. Her capacity to care for so many people in her life while always working so hard to do her very best was without equal. Wendy had an infectious laugh that could be heard from across the room, or the football field, and we were lucky to hear it often, as she had a wonderful, playful sense of humor. She will never be forgotten, as she was the brightest of spirits.

Your valiant fight, your courage, and your love of your guys are the things I will always remember about you. I have been so blessed by your friendship and feel so lucky that we reconnected in recent years. Rest now, no more pain, no more suffering. Only beautiful memories of our beautiful Wendy!
